Student Dress Code

Professional presentation is a vital employment attribute. To reinforce the importance of this, the Parents and Citizens’ Association of this school has endorsed that full school uniform be worn at all times.

At this school it is an expectation that the full school uniform be worn at all times. Students in school uniform clearly identifies them as being enrolled in our school and meets workplace health and safety requirements for all subject areas. A school in full uniform not only fosters pride in the school and oneself, but also creates a sense of belonging. This also prepares students who are entering the workforce that it is a workplace expectation that employees are correctly attired at all times.

Unacceptable items of clothing include jeans or denim, cargo pants and similar items of clothing, leggings, beanies, bandannas, inappropriate slogans/logos, sandals, thongs and inappropriate footwear. These are not permitted at any time. Students wearing such items will be sent to the Deans and placed in the Re-engagement Centre for the day, given the opportunity to contact home and have the issue rectified or have the item confiscated.

Students who are temporarily unable to wear part of the required uniform should wear appropriate substitute items of clothing. A note from parent/caregiver should be presented to their Access Teacher between 8.55am and 9.05am (or their subject class teacher if arriving late). Students will be issued with a 1 day uniform slip if attire is acceptable.

Students who arrive without a note will be required to complete a detention at major break. Persistent failure to follow school procedures will result in action by the school administration.

Uniform Requirements

The school uniform should at all times be worn in a clean, neat and tidy manner that reflects RESPECT and PRIDE in the student, our school and community.
